

If you are a civil engineer (or related field) in transition or a recent graduate looking for employment, please join us at the Round Table for a brisk hour of discussion and networking.

We will be sharing key industry information for employment opportunities, economic indicators and trends affecting the profession to support your job search. Participants are encouraged to exchange resumes for objective, tactful reviews. We also have timely speakers and regular workshops to KEEP you employed once you've connected into a great job.

The Round Table also welcomes recruiters and employers searching for high quality engineers actively engaged in their career and supporting the profession.
