IN RECOGNITION OF NATIONAL ENGINEERS WEEK

TOOTHPICK BRIDGE BUILDING EVENT

**SATURDAY, FEBRUARY 23, 2008, 1 p.m. - 3 p.m.
at Fernbank Science Center**

156 Heaton Park Drive, N.E., Atlanta, Georgia 30307

YOUR GOAL: To design and build a bridge type structure in one of two categories - Toothpick Category and Open-Materials Category. This event will provide you with the chance to make a design, build a bridge to your design, and have your bridge tested to see how well it works.

ENTRANTS: Open To All. Students, parents, sponsoring engineers, and teachers are welcome to submit bridges! All entrants will receive a certificate with the results of their bridge test, a Society of Manufacturing Engineers poster, a small gift, and a summary of the test results.

SEE YOUR SCHOOL REPRESENTATIVE FOR DETAILS ON HOW TO ENTER.
